YOURS

Yours to keep  
site and files in your name

## 01 WHERE WE STARTED

# What we built it around.

## 01 a favorite black and tan coonhound from years past named Bam Bam

From your About page. Option 1 tells where the name comes from, with your BM16 CFR 7.62MM laid across first light.

## 02 from your AR15 to your AK47 to your bolt and lever action hunting rifles

From your Glushitel page. Option 2 makes it the headline of a clean spec sheet: all four Glushitels, then length, weight, thread and diameter.

## 03 made from start to finish with an attention to detail by the same person who also designed it

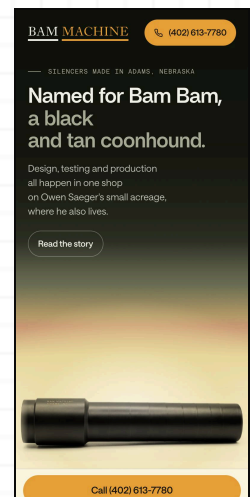

From your About page. Option 3 keeps BAM MACHINE in its serif and gold, and lays out all six models with their lengths and weights.

## 03 HOW IT GOES

# Live within a week of go.

## DAY 0

**You say go**

You pay the 50% deposit and give us access to your domain and current site. Your live site won't change until you say.

## DAYS 1 TO 7

**We finish the site**

We build these pages into your full site. You see every page in a preview before anything goes live.

## LAUNCH

**It goes live**

The new site goes live on your domain, and the promo and launch email are ready to go out with it.

## 30 DAYS

**Changes, next day**

Text or email a change and it is live the next business day.

## 04 INVESTMENT

**The launch****\$2,500**

To start, when you say go (50%) \$1,250

When the site goes live \$1,250

AFTER LAUNCH: MONTHLY PLANS FROM \$250, ONLY IF YOU WANT ONE

**Care** \$250/mo

Site care and hosting, unlimited edits live the next business day, your Google listing kept current.

**Grow** \$500/mo

Everything in Care, plus SEO: a new page or article a month, a Google and AI check, one campaign from your site.

**Growth Partner** \$1,000/mo

Everything in Grow, plus full SEO and every campaign piece each month: emails, promos and ads.

## 05 WHAT YOU OWN

- The site and every file, in your name.
- Your models, order form and contact details carry over.
- No commitment on anything monthly. Cancel anytime; the site stays yours.

## 06 QUESTIONS

# The usual questions.

---

## 01 Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

---

## 02 Is it secure?

Yes. It's built lean and tested on a preview before anything goes live, and your forms keep sending to the same inbox they do now.

---

## 03 Who owns it?

You do. The design and every file sit in your name. Your domain stays with you; nothing of ours renews unless you ask.

---

## 04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from \$250 a month, cancel anytime.

---

## 05 When do I pay?

Half (\$1,250) when you say go, the rest (\$1,250) when the site is live. You've seen the homepage before paying anything.

---

## 06 What about the rules changing again?

Then the site changes with them. You tell us how you're selling, and the buying page says exactly that, in your words. We never write legal advice onto your site.
